Funds raised will support our recruitment, education, and the supervision of our citizen volunteers – Court Appointed Special Advocates (CASAs) – who advocate for the best interests of abused and neglected youth in Lancaster and Lebanon Counties. Our court-appointed volunteers work one-on-one with a child until the child is placed in a safe, loving, and permanent home. Our volunteer advocates are often the only consistent adult in a foster child's chaotic life, who ensure their voices are heard and their futures protected.
